Healing Touch Certificate Program

BECOME A HEALING TOUCH PRACTITIONER

Unit 5 – Self-Evaluation and Professional Development[©]

- mentorships are reviewed as students grow in their professional practitioner role

www.healingtouch.org.au

Learn about the scientific basis and evidenced-based practice that underlies this energy therapy, and apply the theories and principles of holistic health from an energetic foundation and perspective.

Healing Touch is a relaxing, nurturing energy-based therapy that uses gentle touch to assist in balancing physical, mental, emotional, and spiritual well-being. It is used in a variety of settings including hospitals, aged care, private practice and at home.

Unit 5 – Self-Evaluation and Professional Development[®]

This course continues to prepare participants to become Certified Healing Touch Practitioners and to enhance skills and knowledge through lectures, recommended readings and practice sessions. Completed mentorship activities are reviewed and evaluated. Students also identify activities that may help them grow in their practitioner role. For more information see healingtouch.org.au/education.

Course Duration

24 hour residential course set over several days.

Dates and Locations

Courses held across Australia. See website for details.

Course Fees

See website for course fees plus terms & conditions. Concession rates available for AFHTI members and full time students or Commonwealth Health Care Card holders. Travel, accommodation and meal costs are additional to course fees.

Payment

Payment to be made online with registration or as arranged with the Course Coordinator.

Entry Pre-requisites

Completion of Unit 4 course plus designated practice and assessments.

Requirement for completion

Attendance at all course and practice dates and completion of written work as agreed with Instructor.

Course Objectives

The learner will demonstrate competency as a Healing Touch Practitioner through the critique of completed coursework and techniques demonstration.

The learner will be able to:

- Analyze personal strengths, challenges and growth opportunities related to the practitioner role
- Evolve in the role from student to Healing Touch Practitioner
- Present a professional profile notebook and resume
- Complete and present a comprehensive Healing Touch case study for peer review
- Present documentation of client sessions
- Review the mentorship process
- Discuss Healing Touch research and the implications for practice
- Describe the practicum process and challenges
- Describe Certification as a Healing Touch Practitioner.

Become a Practitioner

Unit 5 graduates who are also AFHTI members may apply to become a Certified Healing Touch Practitioner (CHTP).

The certification process is administered through Healing Beyond Borders, with applications reviewed by the Healing Beyond Borders Certification Board

Career Opportunities

CHTPs may practice in their own clinic or provide treatment in conjunction with other health professionals.

The AFHTI Practitioner Representative in your State can provide support and guidance – see the Members section of the website for contact details or email info@healingtouch.org.au
